Re: C 07-1941 TEH Stickrath, et al. v. Globalstar, Inc.

Dear Counsel:

I am writing to request that you and your clients allow Shengfeng Chen, a student at Hastings College of the Law, to observe the mediation session in the referenced case scheduled for March 7, 2008.

This student is currently taking a course on Mediation at Hastings College of the Law. A requirement of that course is that each student observes a mediation. The student will treat as confidential all communications made during or in connection with the mediation session, in accordance with ADR Local Rule 6-11. Of course, no case-specific information learned by the student will be revealed to the judge or magistrate judge assigned to this case.

**Please confer with your clients in advance of the session and if you have any objections, please advise me at (415) 522-4205 as soon as possible.** If I do not hear from you, I will assume that there are no objections to the student's presence at the session. If you have any questions about this request, please feel free to call me at the number listed above. Thank you for your assistance in this matter.

Sincerely yours,

Timothy Smagacz  
ADR Program Administrative Assistant
